

# Gallipolis in Lights

Gallipolis in Lights is a team of Christmas enthusiasts who want to bring Christmas lights and beauty to our town during the holiday season and we need your help! Let's work together to showcase our wonderful city park and the rest of our growing downtown area, especially during the joyful Christmas season each year!

## A Four Year Plan

We will be working over the next 4 years to progressively fill Gallipolis with an abundance of holiday decor that people will want to take the time to experience and visit our community. Our goal is to have people of all ages, near and far, visit our area for the display of lights during the holiday season and support our local vendors during the most wonderful time of the year! We want to create a growing Christmas wonderland that will make beautiful and lasting memories for our children and grandchildren.

## Light Balls

## T.E.A.M

We need your help to make this vision a reality. The Gallipolis in Lights group is ready and willing to dedicate our hard work, funds, and time to this project. However, we are in desperate need of additional funding in order to buy all the necessary supplies to make this happen. Please contact Shari Rocchi at 740.709.1677 or Heather Clifford-Skaggs at 740.645.5000 to make a donation or volunteer your time. We also encourage area individuals, businesses, and community groups to purchase an entire tree of lighted balls in the city park, where your name will be displayed. If you would like to make a monetary donation, you may make checks payable to City of Gallipolis and mark "Gallipolis in Lights Fund" in the memo portion and drop it off or mail it to the Municipal Building in Gallipolis. The mailing address is: City of Gallipolis, PO Box 339, Gallipolis, OH 45631. You can also purchase a lighted ball in memory or honor of someone. These names will be recognized in the park in a lighted display. Please attach the form below with your light ball purchase or your monetary donation. We sincerely appreciate your help!
